

LEAD CONTRACTORS ASSOCIATION

In accordance with Item 6 (ii) of the Constitution, it is a condition of continuing membership that all members of the Lead Contractors Association shall regularly submit examples of their workmanship, as required, for on-site inspection and assessment by an authorised vetting officer. Such provision of works for assessment is part of the ongoing commitment of the members of the Lead Contractors Association to maintaining quality standards in the design and installation of lead sheet in the built environment.

This is to Certify that

Richardson

has been vetted as part of the 2025 vetting programme of the
Lead Contractors Association.

The on-site assessment by the vetting officer,
confirmed by the Chairman of the LCA Vetting Committee,
has resulted in a grading of

EXCELLENT

Further assessment of workmanship shall not therefore be required
until the vetting programme for the year 2028
